- (Insert your reason here)

Whatever the reason you've come to buy this program, I want to tell you that YES – IT CAN HELP YOU DO ALL THAT AND MORE.

So hang in there. I made this "**Quick Start Guide**" to be a little helper to navigate through everything you have access to and put you on the fast track to success.

This MyMillionaireBlueprint.com program is comprised of two parts. First, the book by Vincent James. This will be the cornerstone of our money making adventure.

Then secondly, my (Fabricio Cruz) materials. This will be the foundation of your online marketing adventure.

They both complement each other perfectly, as you will see once you start putting it all together. So with that out of the way, let's get started!

You'll access your materials anytime at <http://mymillionaireblueprint.com/getaccess/>

Bring your questions and I'll answer them live. If you're unable to be there live, you can still submit your questions to me via email. Just follow the instructions on the page to get your questions to me. All webinars will be recorded and archived on the link above for those that can't make it.

You will also want to be on that update list so you can know when each webinar will take place, or if I need to change the date/time of a webinar due to holiday or scheduling conflicts.

**DO NOT MISS THIS OPPORTUNITY** – I'm literally giving you an hour of my time, a \$500 value, for free. Bring your questions, challenges, problems, etc. and I will do my best to answer them for you and put you back on track...

### What To Do First?

1. Make sure you're on the FREE UPDATE list (see above)
2. Make sure you're on the Free Live Training list (see above)

3. Read Vincent James' book "How I Made \$77 Million in Two Years- And You Can Too!"
4. Follow the strategies outlined in the book (bring any questions you have to the live training)
5. Once you have a solid understanding of how to market using the strategies Vincent talks about, read "The \$1,000 Per Day Challenge: Blast Your Way To Your First \$30K!"
6. Once you have a solid understanding of the internet marketing strategies I teach, check out the Internet Marketing Videos for Quick Cash on the bonuses tab and pick one that you feel would be easy for you.

That's really it!

Of course, there's way more to it. But that's the list as I would have it, follow it in those steps. You can of course peek ahead at the \$1K/Day ebook, or watch the Internet Marketing Videos for Quick Cash, but I feel if you follow the order I've laid out for you above, you'll have a better chance of understanding the concepts.

Oh, and I did not even mention the "Tech Newbies" section, which takes out the guesswork on the simplest things, like setting up your site, getting it live, etc. I don't care if you've never done it before, it will be easy as 1, 2, 3 when you follow these videos I've put together for you.

If you want even more dedicated help from me, I have a tiny "Inner Circle" of my most successful students. As of right now, the time I'm writing these words, it's currently closed. I don't want too many people in there because it does take a good amount of my dedicated time.

It's called MyProfitClub and it's by invite only. Keep an eye out for your invite once we open the doors again.

**To YOUR Massive Success,**

*Fabricio Cruz*
