

“Who Else Wants To Create A FORUM CASH GOLDMINE Starting With Nothing More Than Just An Internet Connection?”

By Fabricio Cruz

Forum Cash Goldmine

- About a topic you enjoy and are passionate about.
- Traffic means money, right?
- Monetize it by using Google Adsense, create products around the topic at hand, offer consultation services, broadcast updates to the registered users of your forum.
- Start out very simple, get a basic hosting account.
- Free Forum Software: GetVanilla.com
- Example: BaseballForum.com
- Exit strategy: you can one day sell the forum for massive profits as businesses are buying the visitors, and subscribers vs. the actual forum itself.

Action Steps

- Step 1: Find your niche.
- Step 2: Register a domain at godaddy.com
- Step 3: Set up your web hosting account
ActionPlanHosting.com
- Step 4: Use GetVanilla.com as your forum
(free)
- Step 4: Start posting in other relevant forms
and leave your URL in the sig file.

Conclusion

- Devote 1 to 2 hours per day to start.
- Be consistent, revenue will start pouring in and you won't be able to stop it.
- Start one market at a time, don't try to do too much too fast.
- NEVER give up...
- TAKE ACTION!
